

The Tau Beta Pi Scholarship for Catapult and Rollercoaster Competition Participants

Application for Award

Tau Beta Pi is pleased to announce that it will be offering two scholarships of \$500 each for those participants in the catapult and/or rollercoaster competitions who meet the following requirements:

- Graduating from high school this spring semester.
- Attending Iowa State University in the fall.
- Majoring in an engineering field.

The scholarship will be awarded to an applicant based on these items:

- High school transcript
- One letter of recommendation
- A 500-1000 word essay that discusses the question, “What responsibilities do you think engineers have to society, to the companies for which they work, and to themselves?”

In order to apply, send in the items listed above along with the information requested below to the following address: Tau Beta Pi, Catapult/Rollercoaster Scholarship, 110 Marston, Ames, IA, 50011. They must be postmarked by **April 30th, 2010**. Alternatively, applicants may turn them in at their respective competitions. More than one applicant from each team can apply for the scholarship.
