

Following are the Fall semester Initiate Small Groups:

Initiate Small Group - Apparel Design and Sale (Leaders: Willine Richardson, Laurel Barnett)

The Small Group will meet on Thursdays from 6-7 PM in Howe 1252.

This small group will design, order and sell Tau Beta Pi related apparel for purchase by Iowa Alpha members, initiates and scholars.

Initiate Small Group - Company Visits/Tours (Leader: Maxwell Staver)

The Small Group will meet on Tuesdays from 5-6 PM in Town 280.

This small group will focus on bringing in companies and strengthening company/alumni relations. Setting up tours is also an option. Deliverables include a company focused event for the semester, and a tour of a lab or local company.

Initiate Small Group - Design Team Development (Leaders: Mahmoud Gshash, Joseph Schiller)

The Small Group will meet on Mondays from 6-7 PM. Location TBD

This small group will participate in the Iowa Alpha partnership with the Genesis Development, a local non-profit organization, which helps place people with disabilities into the workforce, in the design of engineering solutions to help these individuals. The activities involved will include prototyping and testing of a device that helps with work related tasks.

Initiate Small Group - MindSET K-12 Outreach (Leaders: Mitchell Atneonsen, Joe Koelbl)

The Small Group will meet on Tuesdays from 4-5 PM in Sweeney 1116.

This small group will focus on planning and executing a K-12 outreach activity for this semester and next semester. The outreach activity should follow Tau Beta Pi's MindSET program, and be held at the school.

Initiate Small Group - Planning of Social Events I (Leaders: Allison Harris, Chuck Neff)

The Small Group will meet on Wednesdays from 4-5 PM in Howe 1304.

This small group will plan and execute one or more social events during the semester. These events should allow the opportunity for members and scholars to socialize and build a stronger community. This Small Group will focus on the collaborative social event between many of our on campus honor societies.

Initiate Small Group - Planning of Social Events II (Leaders: Anthony Locurto, Daniel Rolfes)

The Small Group will meet on Wednesdays from 5-6 PM. The location will be announced when it is finalized.

This small group will plan and execute one or more social events during the semester. These events should allow the opportunity for members and scholars to socialize and build a stronger community. This is the copy of the other social events group.

Initiate Small Group: Tutoring/Mentoring Program (Leaders: Mitchell Meyer, Tyler Mulachy)

The Small Group will meet on Mondays from 6-7 PM in Carver 282.

This small group will focus on continuing the implementation of a tutoring program by Tau Beta Pi members for undergraduate engineering students.
