Roller Coaster Drop-off and Parking

The Roller Coaster competition will be held in Howe Hall located on the west side of the Iowa State University Campus. The best way to get to Howe Hall is to take Lincoln Way (shown in yellow on the map below) and turn north on Sheldon Ave. It is 1 ½ blocks north of Lincoln Way and has a loading dock on the west side of the building (see red arrow labeled Roller Coaster Drop-off). Parking near Howe Hall is restricted to permits only. Parking in spaces with meters is allowed (cost $1.00 per hour) and is very limited. Iowa Alpha has therefore arranged with the Collegiate United Methodist Church, 2622 W. Lincoln Way to use their parking lot. The church is located off of Sheldon Ave, just south of Lincoln way (see red arrow labeled Parking). A Tau Beta Pi official in the Howe Hall Atrium can give you a parking permit for their parking lot when you drop off your roller coaster. We look forward to seeing you at the competition.
