

Tau Beta Pi Scholarship for 2021 Roller Coaster Competition Participants *Application for Award*

Tau Beta Pi is pleased to announce that it will be offering two scholarships of \$500 each for participants in the rollercoaster competition who meet the following requirements:

- Graduating from high school this spring semester.
- Attending Iowa State University in the fall.
- Majoring in an engineering field.

The scholarship will be awarded to an applicant based on these items:

- High school transcript
- One letter of recommendation
- A 500-1000 word essay that discusses the question, “What responsibilities do engineers have to society, to the companies for whom they work, and to themselves?”

In order to apply, submit the items listed above along with the information requested below to the following link: <https://iastate.app.box.com/f/c211f8e947f642ba924762f8996466ce>

Please place all documents into a zip folder before submission. Zip folders and documents should be named in the following order for consideration: First Name, Last Name Scholarship Submission

Recommendation letters can be sent to the following link:

<https://iastate.app.box.com/f/f96c7581268b4ab789e601a36e051643>

Please name recommendation letters as follows: Student Name, Recommendation Letter

The required documents and recommendation letters must be submitted by **May, 1 2021**. More than one applicant from each team can apply for a scholarship.

1. Name:
2. E-mail address:
3. Address:
4. Phone number:
5. High School:
6. Advisor:
7. Cumulative GPA:

8. Activities:

Recipients of the scholarship will be announced in June 2021. Payment will be made to the student's university account at the beginning of Fall semester, 2021 and Spring semester 2022.

If there are any questions, please contact the Tau Beta Pi Project Officers at <mailto:tbp-projects@iastate.edu>.
