

## **Tau Beta Pi Scholarship for 2025 Roller Coaster Competition Participants** *Application for Award*

Tau Beta Pi is pleased to announce that it will be offering two scholarships of \$500 each for participants in the rollercoaster competition who meet the following requirements:

- Graduating from high school this spring semester.
- Attending Iowa State University in the fall.
- Majoring in an engineering field.

The scholarship will be awarded to an applicant based on these items:

- High school transcript
- One letter of recommendation
- A 500-1000 word essay that discusses the question, “What responsibilities do engineers have to society, to the companies for whom they work, and to themselves?”

In order to apply, send in the items listed above along with the information requested below to the following address:

Tau Beta Pi Roller Coaster Scholarship  
1300 Marston Hall  
Ames, IA, 50011.

The application should be postmarked by **15 May 2025**. More than one applicant from each team can apply for a scholarship.
